

**2008 Pesticide Recertification Opportunities
Champaign, Logan and Union Counties**

Below is the information on a number of local recertification opportunities, which will be available. **Every Ohio private pesticide applicator must have at least three hours of educational training every three years. This must include an hour of core, and at least 30 minutes in each category certified.**

If you need to renew this year or plan to earn hours ahead of time, plan to attend one of the sessions planned for Champaign, Logan or Union Counties. Register by February 4th or 21st for Logan County at the location you wish to attend.

The charge for the recertification education session is \$15 (payable to OSU Extension) if you pre-register. The cost will be \$20 at the door. The Ohio Department of Agriculture – Pesticide Regulation is responsible for renewing your license; you will need to send them \$30 (to ODA) if your certification expires in March, 2008.

- Monday, February 11** (Evening Session) Union County Services Center, 940 London Ave, Marysville.
- Tuesday, February 12** (Morning Session) Champaign County Community Center, 1512 US 68 South, Urbana,
