The 10th Annual Union County Master Gardeners Tour of Gardens

On July 9th, the Master Gardeners of Union County will unite the visual and performing arts with the inspired garden designs of Marysville's Green Pastures development. Visitors may choose to walk the wide sidewalks to view the 10 beautiful properties or ride one of the UCATS shuttle buses. The featured gardens will be marked by original paintings which have been created by county high school art students.

Educational displays on native plants, herbs, edible flowers, container gardening and more will be featured at Trinity Park, at the corner of Grace and Carmel.

The rain or shine tour will begin at 1 p.m. Master Gardeners will be at each garden site to answer questions.

Pre-sale tickets (priced at \$6.00) can be purchased by mailing in the attached form, or at the OSU extension office, 18000 St. Rt. 4, Marysville, and at the Connolly Construction office, 179 Emmaus Road, Green Pastures after June 1st.

AND AFTER THE TOUR

"A GATHERING ON THE GREEN" will feature the Cardinal Health Orchestra. Forty-five talented musicians who comprise the **Cardinal Health Chamber Orchestra** will perform their summer concert theme, "Romance, Marches and the Silver Screen", after the tour. The all-volunteer group has teamed up to bring concert hall-style music to central Ohio retirement homes, schools and community festivals for over 7 years. Cardinal employees, Ron Reich and Albert Lee, co-founded the group. Fellow Cardinal employees and employees from other companies joined them, and now Cardinal management supports them, purchasing the group's supplies and music.

What a perfect way to conclude the day! The concert will run one hour and begins at 4:30 on "the green" at the Lakeside Apartments at Green Pastures. Look for the large white tent... And don't forget to **BRING A LAWN CHAIR**.

And there's more....

A "drawing" for door prizes, the announcement of the "patio garden contest" winners and a live art auction will follow the concert.
