

## 173 HORSELESS HORSE

### Project Description

This project is designed for 9-18 year old 4-H members who do not have a horse but are interested in horses and the horse industry. Members taking this project should arrange to have access to a horse to complete some activities in this project. Members taking this project are also expected to help with some type of horse show to learn more about this aspect of the horse program. This project may be repeated (recommended a maximum of 4 times).

### To Complete the Project

Use your project book as a guide to do the following:

1. Complete the "Planning Your Project" section of the project book.
2. Explore 4 interest areas per year. You must choose different interest areas when repeating this project.
3. Complete all the activities in the interest areas you have selected.
4. Take part in at least 2 organized activities.
5. Take part in at least 2 citizenship/leadership activities.

Take part in a project review. If you choose not to participate in judging at the fair, make arrangements to discuss and review completion of your project with your advisor.

### Judging of this Project

This project will be judged as part of Special Interest Judging:

at the Union County Fair on Wednesday – Friday immediately prior to the start of the  
fair  
OR  
at the Richwood Fair on Sunday immediately prior to the start of the fair

Your advisor will tell you a more specific judging time later in the summer. At the specific judging time assigned to you, **bring your completed project book and your project display**. You will participate in an interview judging and then leave your exhibit (a display of your project) on display the entire week of the fair.

### Project Display

Prepare a display that shows the judge and fair visitors what you learned and accomplished in your project. For example: objects used or created, experiments performed, visuals, and other items used to complete project book activities, or a poster showing project activities and results. **If you choose to make a poster, it must be regular poster board (maximum 22 x 28), not foam board or tri-folds. Your project book cannot serve as your project display.**
