

217 CAT 2 CLIMBING UP! Level 2

Project Description

This is a continuation of Cat 1. In this project, you will explore training and showing a cat, careers related to cats, caring for older cats, and much more. You may take this project for a maximum of 3 years.

To Complete the Project

Use your project book as a guide to do the following:

1. Complete the “Cat-a-logue Your Knowledge” evaluation before and after you complete the project. This is located on page 3 of the project book.
2. Complete the “Goals and Outcomes” section of your book found on page 3.
3. Complete a minimum of 7 of the main activities or “Feline Adventures” activities per year.
4. Complete the Climbing Up Achievement Program within 3 years.
5. Practice and develop life skills under Project Guidelines on page 2.

Take part in a project review. If you choose not to participate in judging at the fair, make arrangements to discuss and review completion of your project with your advisor.

Judging of this Project

This project will be judged as part of Special Interest Judging:

at the Union County Fair on Wednesday – Friday immediately prior to the start of the fair
OR

at the Richwood Fair on Sunday immediately prior to the start of the fair

Your advisor will tell you a more specific judging time later in the summer. At the specific judging time assigned to you, **bring your completed project book, your project display, your cat’s complete and current inoculation records and feed tag/label or feed sample with list of ingredients. Bring your cat to judging in an animal carrier or on a leash.** Remember there will be other animals at the judging. You will participate in an interview judging and then leave your exhibit (a display of your project) on display the entire week of the fair.

Project Display

Prepare a display that shows the judge and fair visitors what you learned and accomplished in your project. For example: objects used or created, experiments performed, visuals, and other items used to complete project book activities, or a poster showing project activities and results. **If you choose to make a poster, it must be regular poster board (maximum 22 x 28), not foam board or tri-folds. Your project book cannot serve as your project display.**

Display Area

At the Union County Fair Special Interest Projects will be displayed in the Armory.

At the Richwood Fair these projects will be displayed in the Jr. Fair Building.

Project Pick-Up

You must pick up your project display at the end of the fair, or arrange for someone to get it for you. At Union County Fair, Special Interest Projects will be released on Saturday of the fair from 4 p.m. - 5 p.m. Projects not picked up by 5 p.m. will be disposed of or donated to charities.

At the Richwood Fair, all Special Interest Projects will be released at 3 p.m. on Monday of the fair and should be removed by 9 p.m.
