

354 Medicine Science and Safety Project Guide Sheet

Project Description

This project is designed for young members with little or no experience in health care topics such as medicine. You will learn the importance of medicine safety - what medicine is, who should help you when making decisions about medicine and how you can stay safe around it.

To Complete This Project

1. Complete the Planning Section (Steps 1-4).
2. Complete **all 5** activity sections and **all** The Talking it Over questions.
3. Take part in at least 2 Organized Project Experiences.
4. Take part in at least 2 Citizenship/Leadership activities.
5. Take part in a Project Review.

Take part in a project review. If you choose not to participate in judging at the fair, make arrangements to discuss and review completion of your project with your advisor.

Judging of this Project

This project will be judged as part of Special Interest Judging:

at the Union County Fair on Wednesday – Friday immediately prior to the
start of the fair OR
at the Richwood Fair on Sunday immediately prior to the start of the fair

Your advisor will tell you a more specific judging time later in the summer. At the specific judging time assigned to you, **bring your completed project book**. You will participate in an interview judging and then leave your exhibit (a display of your project) on display the entire week of the fair.

Project Display:

Prepare a display that shows the judge and fair visitors what you learned and accomplished in your project. For example: objects used or created, experiments performed visuals and other items used to complete project book activities, or a poster showing project activities and results. **If you choose to make a poster, it must be regular poster board (maximum 22 x 28), not foam board or tri-folds. Your project book cannot serve as your project display.** You may choose to bring additional items to show the judge your project work that you do not leave on display. This is acceptable. You must, however, leave something on display the entire week.

Display Areas

At the Union County Fair Special Interest Projects will be displayed in the Armory.

At the Richwood Fair these projects will be displayed in the Jr. Fair Building.

Project Pick-Up:

You must pick up your project display at the end of the fair or arrange for someone to get it for you. At Union County Fair, Special Interest Projects will be released on Saturday of the fair from 4 p.m.- 5 p.m. Projects not picked up by 5 p.m. will be disposed of or donated to charities.

At the Richwood Fair, all Special Interest Projects will be released at 3 p.m. on Monday of the fair and should be removed by 9 p.m.

Award Presentation:

Union County Fair Special Interest Project Awards will be presented at the Jr. Fair Awards Program on Tuesday of the fair at the Armory.

Richwood Fair Special Interest Project Awards will be presented at the Jr. Fair Awards Program during the fair. Check the fair paper for the day, time, and location of this program.

Ohio State Fair Opportunity:

This project **Does** have the opportunity to be displayed at The Ohio State Fair. Any 4-H'er who wishes to compete for an opportunity to display this project at The Ohio State Fair must participate in judging at the Union County Fair, as described above. Union County representatives for The Ohio State Fair will be chosen as part of Union County Fair judging. Display should be the one used at their county fair.
