Judging of this Project

This project will be judged as part of Special Interest Judging:

at the Union County Fair on Wednesday – Friday immediately prior to the start of the fair
OR

at the Richwood Fair on Sunday immediately prior to the start of the fair

Your advisor will tell you a more specific judging time later in the summer. At the specific judging time assigned to you, bring your completed project book, and your project display. You will participate in an interview judging and then leave your exhibit (a display of your project) on display the entire week of the fair.

Project Display

Prepare a display that shows the judge and fair visitors what you learned and accomplished in your project. For example: objects used or created, experiments performed, visuals and other items used to complete project book activities, or a poster showing project activities and results.

If you choose to make a poster, it must be regular poster board (maximum 22 x 28), not foam board or tri-folds. Your project book cannot serve as your project display. You may choose to bring additional items to show the judge your project work that you do not leave on display. This is acceptable. You must, however, leave something on display the entire week.

At the Union County Fair Special Interest Projects will be displayed in the Armory.

At the Richwood Fair these projects will be displayed in the Jr. Fair Building.
