You may take this project over two years.

To Complete the Project

1. Choose a project helper.
2. Complete the "Planning Guide" section of the project book, pages 3 & 4. Do the "Before and After – What Do You Know?" on page 3.
3. Complete at least required 7 activities each year. You must do different activities each year you do this project.
4. Make a portfolio to save all your notes, drawings, pictures, other things you create.

Take part in a project review. If you choose not to participate in judging at the fair, make arrangements to discuss and review completion of your project with your advisor.

Judging of this Project

This project will be judged as part of Special Interest Judging;

at the Union County Fair on Wednesday – Friday immediately prior to the start of the
fair
OR

at the Richwood Fair on Sunday immediately prior to the start of the fair

You advisor will tell you a more specific judging time later in the summer. At the specific judging time assigned to you, **bring your completed project book, portfolio and your project display showing what you learned and accomplished in your project.** You will participate in an interview judging and then leave your exhibit (a display of your project) on display the entire week of the fair.

Project Display

Prepare a display that shows the judge and fair visitors what you learned and accomplished in your project. For example: objects used or created, experiments performed, visuals, and other items used to complete project book activities, or a poster showing project activities and results. **If you choose to make a poster, it must be regular poster board (maximum 22 x 28), not foam board or tri-folds. Your project book cannot serve as your project display.**
